

PME Capital Executes Acquisition Searches in Europe and China; Moderating Panel at Wharton Private Equity & Venture Capital Conference 2012

New York, NY - January 27, 2012 - PME Capital LLC ("PME Capital") is pleased to announce that it has successfully executed buy-side searches for acquisitions in Europe and China on behalf of several clients including U.S. private equity sponsors during the second half of 2011. Its principals provided a suite of services to buyers interested in targets located in China, France, Germany, Italy, Sweden and the United Kingdom. The searches were conducted within segments of the consumer, healthcare and industrial products sectors.

PME Capital conducts buy-side searches for private equity groups to identify new platform acquisitions, as well as add-on acquisitions in the U.S., Europe and China, building upon a long experience and deep knowledge of industry sectors such as Food Products, Consumer Products, Medical Products and Equipment, Electrical Products and Equipment, and Plastics & Rubber.

Michael Guthammar, a Partner of PME Capital, will be moderating the Investing in Asia panel at the Wharton Private Equity & Venture Capital Conference 2012 on February 3rd in Philadelphia. Mr. Guthammar may be contacted for further information at telephone (347) 788-0462 or email guthammar@pmecapitalllc.com.

About PME Capital

PME Capital LLC ("PME Capital") sources transactions on behalf of private equity sponsors in the United States, providing a full range of mergers and acquisitions consulting services.

PME Capital also advises companies on obtaining new capital, typically in the form of mezzanine or equity financing for business expansion, acquisitions or owner liquidity. For further information please visit www.pmecapitalllc.com.
